My goal is to give you the best value for your money and ensure you are happy with your final product.

---

Web development services start at a flat rate of \$350.00 for a 5-page website build, design and graphics (not including content writing). I also offer several bundled services which include content writing and logo services.

Service	Price
Website (5 pages)	\$350.00
Website (10 pages)	\$550.00

The following services include a complete finished website and SEO optimization for your business.

Service	Price
Website (5 pages) + web content writing	\$500.00
Website (10 pages) + web content writing	\$700.00
Website (5 pages) + web content writing + logo	\$600.00
Website (10 pages) + web content writing + logo	\$850.00

When it's time for your site to be upgraded, returning customers will receive a 10% discount. All upgrades are \$40.00 per hour. The discount will be taken off of your final invoice.

My web development process is as follows:

1. Consultation and requirements gathering
2. Designing your site (and content if applicable)
3. Creating your site (and content if applicable)
4. SEO Optimization (if content is included)
5. Delivering your site for your review
6. You only pay me once your project is completed and approved

#### **Platforms:**

I can develop your site on the following platforms:

- WordPress
- Wix
- Weebly

If you are hosted on a site that has its own development platform, please let me know. I may be able to use that to develop your site.
